

what
about
clothes?

super boots

I own a pair of super boots,
Waterproof and grippy –
Ideal for the Wye Valley Walk
On sections that are slippery.

I love to clean them after walks:
It's such a joy to see
That with some soap and wax, my boots
Return brand-new to me.

I care for them so much because
They're super and it's clear
That showing them some love means they'll
Still be my boots next year.

from Amy

How do you take care of your clothes?

Have you ever repaired an item of clothing?

Share with us! Send pictures, stories, and tips to fownhopevoices@gmail.com

Fashion accounts for 10% of global carbon emissions.

What can we do?

Rummage. Charity shops & second-hand stores, instead of buying new.

Reflect. Do I really need this? What is it made of? Where was it made?
Leave it 24 hours before buying something.

Read the label. Follow care instructions to help clothes last longer.

Repair. Do it yourself, find a free repair tutorial on YouTube, or ask for help.

Recycle. Take unwanted textiles & clothing to textile banks or charity shops.

What's here in Fownhope?

The Shop @ Coo Corner
offers a beautiful pre-loved range of designer clothes.

The textile bank at Faulkner's House car park
welcomes clothing donations. Funds raised go to the Fire Fighters Charity.

Fownhope Village Facebook page & The Flag magazine
publicise local skills, giveaways, and questions.

If you have textiles or clothing you'd like to give away, or are looking for a specific item or repair service, contact the Facebook page or The Flag.
